

An advertisement for Organic Coconut Milk Powder. It features a brown bag of powder, a glass of white milk, and a coconut being poured into the glass. The text 'ORGANIC COCONUT MILK POWDER' is in large, bold, brown letters. Below it, the tagline 'is nature's best non-dairy milk alternative!' is in a smaller, dark font. To the right, there are three bullet points: 'Packed with healthy fats (MCTs), electrolytes and other nourishing nutrients', 'Non-GMO, non-China, gluten-free and certified organic', and 'Lab tested for glyphosate, heavy metals and microbiology'. There are also two circular logos: 'USDA ORGANIC' and 'GLYPHOSATE TESTED'. A red 'SHOP NOW >' button is in the bottom right corner.

It's rare, but every now and then you come across someone who seems to fully understand the anti-human nature of the globalist agenda being pushed on society today by the United Nations, World Health Organization, World Economic Forum, Club of Rome, Trilateral Commission, et al.

(Article republished from LeoHohmann.com)

It's an agenda which I believe is a form of global techno-fascism. Imagine the Nazi Third Reich with the power of today's artificial intelligence run by super-computers. together to worship. They tried to control our economic activity (only shop at big-box stores not those dirty independent shops). They discouraged the use of cash, and controlled our healthcare decisions (you must get a never-ending schedule of injections of a mystery substance with secret ingredients). Talk about *submission*, they wanted us to all have an app on our phones that would identify us as one of their slaves, who is perpetually up to date on our shots and approved for travel and entry into various public venues. The mantra of UN Agenda 2030 is “No person will be left behind” by this system.

Few people see the whole ugly picture of what’s happening. They cannot connect the dots. They’re confused by all the players and their many demands.
